Ministry Musings

February is here already, the year seems to be moving at a pace! I don't know how you are feeling but I am really excited to see all that God has in store for us as a church as the year unfolds. I have a real sense of expectation for what is to come.

This year we are focusing on one of our core values as a church. We want to become 'bible saturated'. We are encouraging one another to read our bibles daily to engage with God's story and see what he has in store for us as individuals and collectively as a church family.

This is part of our desire to become people that are DEVOTED. Devoted to God's word, devoted to prayer and devoted to one another. As we become more devoted we will naturally read and engage with God's word, we will pray for one another and for our community and we will grow in our love for one another, finding ways to support and care for each other in the highs and lows of life. As we become more devoted so we will have a greater impact on the community we hope to serve.

I am certain that God has plans for GBC, plans that include all of us working together. I look forward to discovering the role that God has for each one of us in His church.

Let's get excited together for all that 2026 has in store for us as a church.
